

I hardly know where to begin or how to thank you for everything you did to make our Saturday evening an absolutely EXTRAORDINARY event... WHAT A PARTY! You said you were going to knock our socks off, and YOU CERTAINLY DID. The conference center itself, the food, the drinks, the entertainment, the staff ---- ALL OF IT was OVER THE TOP!!! Our members will be RAVING about it for years to come, and I know they'll be contacting you to have future events there.

I have to say that in the ten years I've been doing parties for the Council (and even in the many years before THAT!), I've NEVER had the experience of the level of SERVICE, the venue, the details, the delicious taste, display and smells, the setting, entertainment, the PERFECTION that you gave the 130 of us. I can honestly say it's the FIRST event I've ever felt like I was a GUEST and not "working" the event, looking at my watch to make the next thing happen, or "fixing" something for the participants. To give you an idea of the confidence I had in all that you'd done to take care of things ahead of time, I didn't even WEAR a watch!!!

I'll forward some of the photos soon. You are VERY WELCOME to use anything I've said or that our members are saying, as testimonials for YOU, the incredible experience of engaging Mainsail and Florida Destinations & Incentives, and the new Conference Center. We'll give more recommendations than you'll even WANT, you'll be booked solid so quickly!

My compliments to ALL of you and to your entire staff for the best time this event planner has EVER HAD in more than 30 years of doing events! _____
